(d) whether the Panchayat Raj Institutions have no tribal representatives;

(e) whether all these irregularities were brought to the notice of a visiting team of Central Officials in May last; and

(f) if so, whether the said team have submitted its report and the actions taken by Government thereon?

THE DEPUTY MINISTER IN THE MINISTRY OF WELFARE (SHRI GIRIDHAR GOMANGO): (a) Report received from the State Government of Rajasthan does not indicate diversion of tribal sub-plan funds to the tune of 70 per cent during the Sixth Five Year Plan. However, the investment in irrigation and power projects located in tribal areas was about 56 per cent of the total flow of funds from the State-Plan to the tribal sub-Plan. It has been impressed upon the State Government that the quantification of funds in the capital intensive sectors should be in proportion to the benefits accruing to the tribal population.

(b) State Government is reported to have taken steps for rehabilitation of all tribal families by allotting agricultural lands and paying cash compensation according to the resettlement norms.

(c) The LAMPs are not doing so well in Rajasthan due to financial constraints because of virtual drought conditions in tribal areas which resulted in poor loan recoveries.

(d) The Panchayat Raj Institutions in tribal areas have tribal representatives.

(e) and (f) No Central team was deputed to enquire into the facts mentioned above.
